

ANSWER TO ENIGMA No. 10:  
REAPER.  
ANSWER TO ENIGMA No. 11:  
LINCOLN COUNTY MEDICAL  
ASSOCIATION.  
ANSWER TO WORD PUZZLE.  
WHIP-POOR-WILL.

The following persons have sent us correct answers to enigmas: Mrs. Kittle Fisher, E. C. Wheeler, and G. W. Porter, of Troy, and Hiram P. Jameson and Willie T. Elder, of Millwood.

Out in Iowa, at the prayer-meetings, the newspaper men are prayed for. This is a compliment which is highly appreciated among the ink-slingers. One of them thus puns the minister who prayed for him: "Rev. Jerry Seton (it should be Satan), before praying for us, ought to pay for his last three years' subscription to this paper, and the groceries which he got on credit, and for the support of his illegitimate child, now in the county poor-house." Rev. Seton, we guess, didn't feel like praying when he saw that paragraph.

Robert Atwood, prominent in the insurance business at Louisville, Ky., having pleaded guilty to ten indictments for forgery, has been sentenced to twenty years imprisonment on each. When he shall have served out his two centuries, it is said that still further charges are to be preferred against him.

William Carpenter, a citizen of Missouri since 1841, and of Platte county since 1862, died at Weston on the 2d inst., at the ripe age of eighty-three years. He was born in Virginia, served in the war of 1812, and was a member of the Ohio legislature in the session of 1833-34.

The municipal government of St. Louis costs over three millions and a third a year.

JAMES E. EDDENS,  
NEW HOPE, MISSOURI, AGENT FOR  
Walter A. Wood's

## Self Raking Reapers

The Only  
SUCCESSFUL SELF RAKE YET INVENTED.

SATISFACTION GUARANTEED.

Manufactured by the  
Walter A. Wood  
Reaper and Raking Machine  
Company,  
Hosick Falls, N.Y.

A commendable ambition exists among farmers to own the best machine in the neighborhood, and nothing is more provoking, or attended with greater injury, in the harvest field, than a weak and inefficient machine, which cannot perform its work well; and the loss of valuable time often results by reason of breakage; consequently too great caution cannot be exercised in the selection of a machine.

The most satisfactory evidence that can be given of the success of any implement, is the demand created for it, by its Practical use, in the hands of the farmer.

And it is with pride that we point to the record of the "Wood" for proof of its superior merit.

It is the favorite machine with the farmer wherever introduced, as it does clean work, saves all his grain, is strong, durable, simple in construction, not liable to get out of order, costs less than any other for repairs, easily managed, of light draught, and will perform its work with such ease and perfection, as not only to surprise, but delight its purchaser.

The "Wood" gives it the preference, as it makes a compact gavel, much the same as though done by hand.

Every machine warranted to perform as represented.

Call on us and examine sample Machine, or send and get circular giving full description, prices, etc.

### Now is the Time

To Buy Trees

—AT—

## BUFFALO NURSERY.

BROTHER FARMERS don't forget that our eastern neighbors are feeding apples to stock with good results, whilst we have only a scanty supply for family use. Also the eastern farmers have their barrels of elder and an abundance of the best apple vinegar, and here either is a rarity with the majority of families. And yet we most all cultivate more land than is profitable and have often an abundance of waste and worn out lands that could be made profitable if set in trees, besides improving the condition of the land.

Being overstocked with winter fruits, especially janneting and New York red pipples or Ben Davis, I will sell this spring by the 1000 at \$75 and by the 500 at \$45.00. Price by the doz. and 100 will be the same as before, per doz. \$1.50, per 100 \$15.00, will sell Hughes' elder crabber 50 at \$4.00, per 100 \$7.00, per 1000 \$60.00, pear, cherry and plum trees each 60c, \$6.00, per doz. Concord grape one year old first class each 10c, per doz. \$1.00, per 100 \$5.00, per 1000 \$35.00, bearing vine each 25c, per doz. \$2.50, per 100, \$15.00. All other stock about the same as last spring.
